

The Gold Seal Online Ground School - 2018

“2008 Top Ten Online Resource” – *Plane & Pilot Magazine*

Welcome

Welcome to Gold Seal’s Online Ground School. With over 70,000 registered users, it is truly the **internet’s most popular training site** for pilots. If you are a student pilot, you will find everything you need right here. And not just for the FAA written test and practical test (the “checkride”), but for all your private pilot training needs.

More pilots train online for their FAA tests right here than anywhere else. And there’s a good reason why... Gold Seal’s online lessons are the most effective (and fun) way to learn! Don’t believe it? Take a look for yourself – it’s free.

Register

Registration is free and only takes a minute. And it gives you **FREE, Instant** access to exciting aviation action. Over a dozen Private Pilot multimedia lessons are just a click away! These aren’t samples or demos – they are full-featured, full-length animated and narrated lessons on key topics for pilots.

Enroll

After you register, you may optionally Enroll. The fee for this is just \$169 (and is backed by our 100% money back guarantee of satisfaction). It gives you **a huge amount** of additional content including the **complete Private Pilot Course**. Once you have completed the course you can print out a signed Certificate of Completion as well as an Endorsement to take the FAA written test at any testing center in the country.

The Gold Seal Online Ground School gives you everything you need, now and in the future.
EVERYTHING!

Take the first Lesson (Introduction) in the “Getting Started” section to see exactly how the ground school works.
